Dear Russell,

RE: U.S. Patent - 12 Year Maintenance Fee
Title: Air Assisted Insect Dispensing Apparatus
File No: 1525 A
Patent No. 5,794,847

According to our records, your above numbered patent, is due for the 12 year maintenance payment in order to keep the patent alive. While the deadline to submit the maintenance fee for the patent listed above without paying a surcharge is August 18, 2010, **we request your payment to be received on or before July 18, 2010 to allow adequate time for processing.** You can still pay the maintenance fee up to October 18, 2010, but you will have to pay a surcharge for being late.

We must receive your payment no later than the deadline noted above. All USPTO fees are subject to change; as a result thereof, you may see a surcharge in your billing statement. USPTO fees usually increase, effective October 1st. The current fee amount is \$2655.00. Please make your check payable to Mark Jacobs, and we will handle this matter for you.

If you are no longer interested in maintaining your patent, sign this letter below, and mail or fax it back to this office so that we can update our files and cease further activity.

A small bill will follow at the end of the month summarizing this letter.

Very truly yours,

Mark C. Jacobs, Esq.
